

Every other Friday is “Fun Friday” in the Middle School. Students earn the opportunity to take part in this when they avoid receiving more than 2 STPs in a 2 week period. Sometimes, students can wear a different shirt, socks, or hat. Sometimes they may bring a drink of their choice (20 oz. or less) or a snack to enjoy in a particular class. We will announce the Fun Friday reward earlier each week so that students know that week’s reward.

Occasionally, I will give my students a little treat in my classroom (jolly rancher, starburst, airhead, etc.) Please be assured that these treats are all treats that are found on the safe food list which is found on the school website.
